SHABARIKANTH G K

.NET Developer | ASP.NET Core & MVC | C# | SQL Server / Oracle

Madurai, Tamil Nadu 625014, India | +91 8610230617 | shabari08kan@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Full-Stack **.NET Developer** with **nearly 2 years** of experience designing, developing, and deploying enterprise ERP web applications using **ASP.NET Core, ASP.NET MVC, C#, and ADO.NET**. Delivered **10+ modules across 3 production projects** with full-SDLC ownership — requirement analysis, development, testing, IIS deployment, and production support — in **Agile** sprint environments. Skilled in **SQL Server / Oracle** query optimization and responsive UI with **HTML5, CSS3, JavaScript, jQuery, and AJAX**. AWS cloud-computing certified.

TECHNICAL SKILLS

- **Languages & Frameworks:** C#, ASP.NET Core, ASP.NET MVC, ADO.NET, .NET Framework
- **Web Technologies:** HTML5, CSS3, JavaScript, jQuery, AJAX, Razor Views, RESTful APIs
- **Databases:** SQL Server, Oracle (SQL Developer), Stored Procedures, Query Optimization, T-SQL
- **Tools & Platforms:** Visual Studio, SSMS, Git/GitHub, IIS / IIS Express, Postman, Remote Desktop Connection
- **Practices & Concepts:** SDLC, Agile/Scrum Methodology, OOP, MVC Architecture, Manual & Usability Testing, Application Configuration
- **Cloud:** AWS Fundamentals (Certified — Cloud Computing)

PROFESSIONAL EXPERIENCE

Junior Developer — iCanD, Madurai, Tamil Nadu **Nov 2024 – Present**

- Designed, developed, and tested **10+ CRUD-based modules** across **3 enterprise ERP, HR, and microfinance web applications** using **ASP.NET Core** and **ASP.NET MVC**, supporting end-to-end client operations.
- Built reusable UI components and web forms with client and server-side validation, reducing invalid form submissions by ~40%.
- Implemented business logic layers using **ADO.NET** across **2 database platforms** (**SQL Server** and **Oracle**); optimized queries, cutting report load time by ~30%.
- Diagnosed and resolved real-time production issues via remote support and email, resolving 60%+ of tickets within client SLAs.
- Supported 20+ **sprint deployments** and releases, collaborating with cross-functional teams in **Agile** ceremonies.
- Authored 20+ test cases and performed functional/usability validation with QA, reducing post-release defects by ~25%.
- Managed source control and collaborative development workflows using **Git**.

KEY PROJECTS

Arasan — HR Management System

- Developed and maintained **3 core HR modules** — **Employee Details, Leave Management, and Payroll** — cutting payroll and leave processing time by ~30%.
- Implemented **ADO.NET**-based CRUD operations and business logic against an **Oracle** backend; built responsive UI with **HTML/CSS/JavaScript** and **AJAX/jQuery**, reducing full-page reloads and improving form response time by ~75%.

Tools: ASP.NET Core, C#, ADO.NET, Oracle Server, HTML, CSS, JavaScript, AJAX, jQuery

RetailSales — ERP System

- Built a packaged web ERP covering **4 end-to-end workflows** — **Purchase, Inventory, Sales, and Accounting**.
- Delivered modules using **ADO.NET** and optimized **SQL Server** stored procedures, cutting data retrieval time by ~40%; added jQuery validation and AJAX-driven UI that reduced data-entry errors by ~40%.

Tools: ASP.NET Core, ADO.NET, SQL Server, HTML, CSS, JS, Razor Views, Git

Micro Finance Institution (MFI) System — Loan Management for Women-Focused Lenders

- Developed an end-to-end **microfinance loan management system** for finance companies lending to women, with **6 modules** — **Master, Loan, Collection, Accounts, Transaction, and Reports** — plus separate **Client** and **Center Formation** modules.
- Built the **EOD Transaction page** to monitor daily operations and flag pending or incomplete items, reducing unresolved end-of-day items by ~40% and improving day-end closing time by ~30%.

Tools: ASP.NET Core, ADO.NET, SQL Server, HTML, CSS, JS, Razor Views, Git

CERTIFICATIONS

- **AWS Cloud Computing** — Remote Internship, BrainOvision Solutions, Hyderabad (Jul 2023 – Sep 2023)

EDUCATION

Bachelor of Engineering — Computer Science **2020 – 2024**

NPR College of Engineering & Technology, Dindigul, Tamil Nadu | CGPA: 8.34
